# LIST OF SPONSORS

## Gold Partners

## Bronze Partner

## App Partner

## General Supporters

## Other Partners

EUSA Pharma

Jazz Pharmaceuticals®

## ORGANISER

### The European Society for Paediatric Oncology (SIOPE)

Booth no. SIOPE

Contact person:	Samira Essiaf
Phone:	+ 32 2 880 62 82
Email:	office@siope.eu
Website:	www.siope.eu
Twitter:	@SIOPEurope

The European Society for Paediatric Oncology (SIOP Europe or SIOPE) is the only pan-European organisation representing all professionals working in the field of childhood cancers. With more than 1850 members across 35 European countries, SIOPE is leading the way to ensure the best possible care and outcomes for all children and adolescents with cancer in Europe.

## MAIN PARTNER

### CCI Europe

Booth no. 5

Contact person:	Anita Kienesberger
Phone:	+43 (0) 1 402 88 99 - 15
Email:	europe@cci.care
Website:	www.cci-europe.eu

As the European branch of Childhood Cancer International, CCI Europe represents childhood cancer parents' and survivors' groups and other childhood cancer organisations. It is the biggest pan-European childhood cancer parents' and survivors' organisation.

CCI Europe believes that every child and adolescent with cancer deserves the best possible treatment and care, no matter where they live.

## GOLD PARTNERS

### Amgen Europe GmbH

Booth no. G2

Contact person:	Robert A. Olie, PhD
Phone:	+41 (0)41 369 02 66
Email:	rolie01@amgen.com
Website:	www.amgen.com
Twitter:	www.twitter.com/amgen

Amgen is committed to unlocking the potential of biology for patients suffering from serious illnesses by discovering, developing, manufacturing and delivering innovative human therapeutics. This approach begins by using tools like advanced human genetics to unravel the complexities of disease and understand the fundamentals of human biology.

### Jazz Pharmaceuticals

Booth no. G1

Phone:	+1 865 405.000
Website:	<a href="https://www.jazzpharma.com/about/">https://www.jazzpharma.com/about/</a>

Jazz Pharmaceuticals plc (Nasdaq: JAZZ), a global biopharmaceutical company, is dedicated to developing life-changing medicines for people with limited or no options, so they can live their lives more fully and redefine what is possible. As a leader in sleep medicine and with a growing hematology/oncology portfolio, Jazz has a diverse portfolio of products and product candidates in development, and is focused on transforming biopharmaceutical discoveries into novel medicines.

## BRONZE PARTNER

### F.Hoffmann-La Roche Ltd

Booth no. B1

Contact person:	Bettina Barton
Phone:	+41 61 688 11 11
Email:	bettina.barton@roche.com
Website:	www.roche.com

Roche is a global pioneer in pharmaceuticals and diagnostics focused on advancing science to improve people's lives. The combined strengths of pharmaceuticals and diagnostics under one roof have made Roche the leader in personalised healthcare – a strategy that aims to fit the right treatment to each patient in the best way possible.

## MEETING APP PARTNER

### Servier

Company Name:	Servier
Contact Person:	Manette WILLIAMS
Telephone:	+ 33 1 55 72 60 00
Email:	contact@servier.com
Website:	www.servier.com

Servier is a global independent pharmaceutical company governed by a non-profit foundation, with its headquarters in France. With a strong international presence in 149 countries and a turnover of 4.2 billion euros in 2018, Servier employs 22,000 people worldwide and specializes in 5 therapeutic areas: cardiovascular diseases, cancers, diabetes, immuno-inflammatory diseases and neuropsychiatric diseases.

## GENERAL SUPPORTERS

### EUSA Pharma

Booth no. P1

**EUSA**Pharma

Website: [www.eusapharma.com](http://www.eusapharma.com)

EUSA Pharma is a dynamic, global biopharmaceutical company focused on oncology and rare disease, continuously striving to confront gaps in patient care. Our ambition drives us to deliver medical treatments that deliver real change to improve lives wherever they are needed in the world.

As a young, speciality pharmaceutical company with a global reach, EUSA Pharma is committed to deliver solutions that can have a meaningful effect on life, helping patients across a range of therapy areas.

### Bristol-Myers Squibb

**Bristol-Myers Squibb**

Company Name: Bristol-Myers Squibb

Contact Person: Pooja Gupta

Telephone: (609) 302-5105

Email: [Pooja.gupta@bms.com](mailto:Pooja.gupta@bms.com)

Website: [www.bms.com](http://www.bms.com)

Bristol-Myers Squibb is a global biopharmaceutical company focused on discovering, developing and delivering innovative medicines for patients with serious diseases. We are focused on helping patients in disease areas including oncology, cardiovascular, immunoscience and fibrosis. Each day, our employees work together for patients – it drives everything we do.

## OTHER PARTNERS AND EXHIBITORS

### EPSA – European Pharmaceutical Students’ Association

Booth no. 7

Contact person:	Nejc Klopčič
Phone:	+38 640 276 601
Email:	vp.er@epsa-online.org
Website:	www.epsa-online.org

EPSA represent over 100 000 pharmaceutical students from 37 countries, 45 Member Associations within Europe. We offer opportunities for European pharmacy students to network and learn from each other. We promote interprofessional collaboration and education while advocating for the development of harmonised pharmacy and healthcare education in order to ensure high standards across Europe.

### MRC Holland

Booth no. 1

Contact person:	Suvi Savola
Phone:	+31 888 657 200
Email:	info@mlpa.com
Website:	www.mlpa.com

Multiplex Ligation-dependent Probe Amplification (MLPA®) is the gold standard for DNA copy number quantification and used worldwide to study both hereditary disorders and tumours. MLPA can also be applied to investigate the methylation status of DNA sequences. Up to 60 DNA sequences can be analysed in a single reaction in high-throughput manner, with results being available within 24h.

## No Isolation

Booth no. 6

Contact person:	Christian Matzen
Phone:	+ 31 643 882 433
Email:	matzen@noisolation.com
Website:	www.noisolation.com

No Isolation is a Norwegian startup, founded to reduce loneliness and social isolation by developing warm technology. Our products include AV1, the telepresence robot for children with long-term illness, and KOMP, the one-button screen connecting generations.

## Nova Laboratories Ltd

Booth no. 2

Contact person:	Jodie Jennings-Brown
Phone:	+ 44 (0) 7415 800 660
Email:	Jodie.jennings-brown@novalabs.co.uk
Website:	www.novalabs.co.uk

Nova Laboratories is a UK leading independent supplier of both 'Specials' and clinical trial medicines to healthcare professionals. Nova operates under MHRA licenses in the following five business areas:

- 'Specials' compounding
- Clinical Manufacturing
- Commercial Manufacturing
- Support Services
- Own branded licensed products

Further information can be found at [www.novalabs.co.uk](http://www.novalabs.co.uk)

## Together by St. Jude

Booth no. 3

Contact person:	Adrienne Sloan
Phone:	+ 1 901 605 9290
Email:	Adrienne.sloan@stjude.org
Website:	together.stjude.org

Families facing pediatric cancer need a resource they can trust. Together is a free website for anyone affected by childhood cancer, no matter where the patient receives treatment. Powered by St. Jude Children's Research Hospital, families will find trusted information, practical resources, and shared stories. Explore [together.stjude.org](http://together.stjude.org).

## Wisepress Medical Bookshop

Booth no. 4

Phone:	+44 208 715 1812
Email:	bookshop@wisepress.com
Website:	www.wisepress.com
Twitter:	@WisepressBooks

Wisepress.com, Europe's leading conference bookseller, has a complete range of books and journals relevant to the themes of the meeting. Books can be purchased at the stand or, if you would rather not carry them, posted to you - Wisepress will deliver worldwide. In addition to attending 200 conferences per year, Wisepress has a comprehensive medical and scientific bookshop online with great offers.

## The World Children's Winners Games

Booth no. 8

Contact Person:	Nadezhda Kuznetsova
Telephone:	+7 (495) 995-31-09
Email:	info@winnersgames.ru
Website:	<a href="http://winnersgames.ru/eng/">http://winnersgames.ru/eng/</a>

The World Children's Winners Games are international sports competitions among young cancer survivors. Athletic competitions and a variety of entertaining activities provide a great opportunity to reconnect and return to a high-quality life after treatment. Organized annually since 2010 in Moscow. Over 2800 children from 22 countries have taken part.

## SATELLITE SYMPOSIA AND WORKSHOP

### Amgen Satellite Symposium

Tuesday 21 May 2019 13.15–14.15,  
Panorama Hall, Prague Congress Centre

**T-cell engaging immunotherapy in childhood ALL: expert perspectives on key questions.** *Chair: Franco Locatelli (Italy)*

13:15–13:20	<b>Welcome and introduction</b> <i>Speaker: F Locatelli (Italy)</i>
13:30–14:10	<b>Interactive podium discussion: key questions on the role of BiTE® therapy and CAR-T cells in childhood ALL</b> <i>Speakers:</i> <ul style="list-style-type: none"> <li>• <i>Franco Locatelli (Italy): perspective on BiTE® therapy</i></li> <li>• <i>Christina Peters (Austria): perspective on CAR-T cells</i></li> <li>• <i>Audience questions and discussion</i></li> </ul>
14.10–14.15	<b>Summary and meeting close</b> <i>Speaker: F Locatelli (Italy)</i>

## Jazz Pharmaceuticals Satellite Symposium

Wednesday 22 May 13:25 – 14:25  
Congress Hall, Prague Congress Centre

**Does Therapeutic Drug Monitoring of Asparaginase Ensure Optimal Patient Management?** *Chair: Prof Martin Schrappe*

13:25	<b>Welcome and introduction</b> <i>Prof Martin Schrappe</i>
13:30	<b>Experiences on asparaginase therapeutic drug monitoring</b> <b>Does Therapeutic Drug Monitoring of Asparaginase Ensure Optimal Patient Management?</b> <i>Chair: Prof Martin Schrappe</i> <b>Experiences on asparaginase therapeutic drug monitoring /</b> <i>Prof Carmelo Rizzari</i> <b>Experiences of TDM in DCOG ALL-10 and DCOG ALL-11 protocols and a focus on the ALLtogether protocol /</b> <i>Prof Rob Pieters</i>
14:05	<b>Faculty discussion and summary /</b> <i>Prof Martin Schrappe</i>
14:10	<b>Audience Q&amp;A /</b> <i>Prof Martin Schrappe</i>
14:25	Close

## Roche Satellite Workshop

Wednesday 22 May 16:00 – 16:30

**New drugs for children with cancer: moving towards precision medicine**

**Drug development for children with cancer –** *Speaker: Hubert Caron (MD, PhD) iPODD / innovative Pediatric Oncology Drug Development Team at Roche*

**Bringing precision medicine to pediatric patients –** *Speaker: Birgit Georger (MD, PhD) Pediatric New Drug Development Program, Gustave Roussy Institute, France*

**Bringing personalized healthcare to life: NTRK inhibitors experience in pediatric patients –** *Speaker: Guillaume Bergthold (MD, PhD) iPODD / innovative Pediatric Oncology Drug Development Team at Roche*

Q&A
