Most challenging cases
in paediatric oncology

Speaker Profile

20 September 2023

Chemo-Radiation Resistant, Undifferentiated H&N Carcinoma in a Paediatric Patient

Speaker : Andrada Turcas
(RO)

Andrada Turcas is a radiation oncology trainee and PhD student from Cluj-Napoca, Romania. Her interests include paediatric radiotherapy and neuro-oncology, as well as adult and paediatric sarcomas and other rare cancers. As of November 2021 she is a research fellow within SIOPE's RTQA project (QUARTET) in Brussels, Belgium.
