

Dear Members of the SIOP Europe Community,

The SIOP Europe Educational Committee was established in order to ensure the organization and promotion of the highest quality educational activities in paediatric oncology. The Steering Committee helps establishing the strategic direction and goals of the educational programme, gives input and advice on ongoing and new educational activities, and helps to ensure that the educational programme is of the highest quality.

The SIOP Europe Educational Steering Committee is a formal group within SIOP Europe officially launched in October 2021.

In line with the Terms of Reference, 6 inaugural Steering Committee members were chosen. To maintain continuity within the Steering Committee, we now issue this call for **2 Steering Committee Members to join the SIOP Europe Educational Committee for a term of 3 years (renewable)**. Both positions are primarily foreseen for, ideally, Young SIOP Europe members and will as “members elect” be accompanied by 2 “past members” and introduced into their new positions over a period of 12 months. The composition of the Steering Committee shall reflect the diversity as well as the spectrum of gender and countries of our community.

If you are interested in shaping the future of education in paediatric oncology in SIOP Europe, and you want to play an active role, do not hesitate to apply for a position of Steering Committee Member. Steering Committee Members are expected to be or become SIOP Europe members.

### **Procedure for applications:**
