

SIOP Europe Course in Paediatric Oncology (2025-2027) - Application Form

**SIOP Europe
Course in
Paediatric
Oncology**

We are delighted to invite you to apply to participate in the SIOP Europe Course in Paediatric Oncology – an initiative designed to support young and promising paediatric oncologists in developing their careers in paediatric oncology, taking into account the diversity in all respects of our community!

Online Application Procedure:

- Applications to participate in the Course can only be submitted electronically, using this form.
- Applicants must meet the minimum selection criteria outlined below:

Minimum Selection Criteria:

Applicants must:

- Be fluent in written and spoken English
- Be or becoming a SIOPE member is desirable
- Be dedicated to paediatric oncology
- Be creative/out of the box thinking/talented
- Be a fellow/trainee with experience in paediatric oncology (for at least 12 months) OR
- Be a junior faculty member (instructor or an equivalent, assistant professor) who has completed fellowship training within the last 12 months
- Be a maximum of 40 years (fellow/trainee) or 45 years (junior faculty) at the beginning of the Course (maternity/paternity/other leaves will be taken in consideration)

The application form provided must be used and includes the following sections:

- Personal details and contact information
- CV (2-3 pages maximum)
- 2 letters of recommendation (from experienced colleague and/or SIOP Europe member)
- Career development plan - "How do you envision your career in paediatric oncology" (max. 250 words)
- Time magazine article: imagine a breaking news article in paediatric haematology or oncology 10 years from now (max. 400 words)

Course application submission opens: 24 June 2024

Application submission closes: 14 October 2024

Applications received after the deadline will not be accepted. Please ensure your application is complete prior to submission.

Applicants will be notified of the status of their application in November 2024.

If you have queries or require further information, please send an email to: edu@siope.eu

This application form consists of 29 questions and may require a longer time to complete (>1h).

Please note that ongoing work is automatically saved in the online survey, only as long as you are working on the same server and device (i.e. same IP address).

You can prepare your answers in advance using this document (link to PDF), but please note that only answers provided in this online survey will be valid.

All questions marked with an asterisk (*) are mandatory.

Please click "Next" to start the survey.
