

Webinar Steering Committee:

Teresa de Rojas

Dr. Teresa de Rojas is a pediatric oncologist, MD-PhD, with a special interest for drug development and oncogenomics. She works as Scientific Coordinator of ACCELERATE, an international, academic platform promoting drug development in childhood cancer.

Dr. de Rojas started her research career as medical fellow at the FIB-HNJ Clinical Research Unit, in Madrid (2015-2016). She worked at the EORTC (European Organisation for Research and Treatment of Cancer) in Brussels, as medical research fellow (2017-2020), and as post-doc researcher at Hospital Niño Jesús in Madrid, co-leading the Pediatric OncoGenomics Unit (2020). Dr. de Rojas is Member of the Steering Committee of Young SIOPE, leading the Educational Program, and Clinical Expert for the Adolescent Medicine Expert Group of the Conect4Children (c4c) Consortium. She is associate professor at the International Rioja University (UNIR, Spain) and faculty member of the Pediatric Oncology Training Program at the Uganda Cancer Institute, Kampala, Uganda, combining her interest in educational and non-for-profit, international cooperation projects.
